Welcome to the Rubin Institute for Advanced Orthopedics!

Dear New Patient,

Welcome to the Rubin Institute for Advanced Orthopedics! Our goal is to provide you with caring, compassionate and professional service during your visit with us. If you have any questions, you can visit our web site at www.RubinInstitute.com or you can call us at 410-601-BONE (2663).

- **Please complete the enclosed Pre-Visit Checklist before your appointment.** This checklist tells you what you need to do before your appointment and what you need to bring to your appointment.
- **Please arrive 20 minutes before your scheduled appointment** to allow us time to process your insurance and billing information.
- A parent or legal guardian must accompany all children (younger than 18 years) for the entire visit.
- A legal representative must accompany all patients who lack the capacity to make health care decisions or who are unable to articulate their wishes.
- If your appointment is in the Schoeneman Building at Sinai Hospital, you will receive two bills: one from the physician and one from the hospital.

We reserve the right to reschedule your appointment if:

- You are more than 15 minutes late for your appointment. If you are going to be more than 15 minutes late, call 410-601-BONE (2663) (press option 1).
- You do not fax your Referral/Authorization (if required by your insurance) at least 5 business days before your appointment. Please contact your insurance company to find out if you need a Referral/Authorization.
- If your insurance requires that your x-rays be taken at an outside facility, but you have forgotten to bring these x-rays with you.

Thank you for choosing the Rubin Institute for your orthopedic care. We are looking forward to seeing you soon!

–The Physicians and Staff of the Rubin Institute

International Center for Limb Lengthening

Sinai Hospital of Baltimore, 2401 West Belvedere Avenue, Baltimore, MD 21215

Pre-Visit Checklist

BEFORE YOUR APPOINTMENT, PLEASE:

- ❑ **Fax your Referral/Authorization (if required) to 410-601-8793 at least 5 days before your appointment.** To find out whether you need a Referral/Authorization, please call your insurance company. The Referral/Authorization should be from your primary care physician and authorize Sinai Hospital/Rubin Institute for your office visit, radiology exams, procedures, injections and lab work.
- ❑ **If an Urgent Care Center advised you to visit the Rubin Institute,** please obtain a Referral/Authorization from your primary care physician.
- ❑ **If your insurance requires that your x-rays, MRI scan or CT scan be obtained at an outside facility,** make sure that you have these taken before your appointment and bring the images with you. To find out whether you need to obtain these at an outside facility, please call your insurance company.
- ❑ Allow enough time so that you **arrive 20 minutes before your scheduled appointment.** If you are going to be more than 15 minutes late, call (410) 601-2663 (press option 1).

PLEASE BRING THE FOLLOWING ITEMS TO YOUR APPOINTMENT:

- ❑ All forms included in this packet (Please complete the forms before your appointment if possible.)
- ❑ Current medical and prescription insurance card(s)
- ❑ Valid photo ID or driver's license
- ❑ Payment for any required co-payments or deductibles due at the time of your visit
- ❑ Recent x-rays, MRI scans and CT scans: **If your insurance requires that your x-rays, MRI scan or CT scan be obtained at an outside facility, bring the images with you.** Note: If your insurance allows x-rays to be obtained at the Rubin Institute, we will obtain them during your appointment.
- ❑ If an Urgent Care Center advised you to visit the Rubin Institute, please bring a Referral/Authorization from your primary care physician.
- ❑ Any medical information that is relevant to your condition (x-rays, CT scans, MRI scans, ultrasound results, nerve conduction studies, medical records, lab results, etc.)
- ❑ List of current medications (vitamins, supplements, over the counter medications, prescription medications, herbal supplements, etc.) including strength, frequency and dose
- ❑ List of allergies to medications, food, metal, latex, etc.
- ❑ Name, address, phone number and fax number for your pharmacy, referring physician, primary care physician and anyone else whom you would like to receive your medical information.
