All supporters will be acknowledged on the Course website after the Course. The 2024 event would not have been possible without our corporate supporters and exhibitors.

Last year's Course was very successful, and over 200 clinicians from 30 foreign countries and 34 U.S. states attended. As participant safety remains our top priority, we will follow safety guidance issued by local public health authorities to provide an environment that is as safe as possible. We ask all those attending our Courses to share in this responsibility.

Should you have any questions, please email Wendy R. Robinson at [wrrobins@lifebridgehealth.org](mailto:wrrobins@lifebridgehealth.org). Thank you very much, and we hope you can join us!

## Exhibitor Agreement with LifeBridge Health

Exhibitor: \_\_\_\_\_ has paid a fee of \$ \_\_\_\_\_ in order to present  
Company Name  
 promotional materials at the following LifeBridge Health live educational activity: 35<sup>th</sup> Annual Baltimore Limb Deformity Course(s).

Exhibitor must abide by the following guidelines:

- 1) No promotional activities will be permitted in the same room or be required as part of the educational activity.
- 2) No product advertisements/corporate logo apparel will be permitted in the program room.
- 3) The Exhibitor will not play any additional role in the planning or implementation of the educational event.
- 4) Arrangements for commercial exhibits are not a condition of the provisions of commercial support for this CME activity.
- 5) If \_\_\_\_\_ must cancel their participation in the Course after the agreement has  
Company Name  
 been fully executed and payment made, the full fee will be retained by the Course. If the full fee has not yet been paid, the company will be billed, and full payment is expected within 30 days of billing date. Should the in-person activity be cancelled by Provider, a full refund of the paid fee will be made.
- 6) All displays must conform to the applicable building code and fire ordinances and should be free-standing without attachments to walls, ceilings, or floors. For greater certainty and without limitations to the foregoing, Exhibitor shall comply with all applicable flame proofing regulations.
- 7) Neither Provider nor the Hotel assumes any responsibility whatsoever for displays brought into the Hotel by Exhibitor or any third-party connection with the Course, including, but not limited to, claims of personal injury or property damage related to displays.
- 8) All displays and equipment must enter and exit the Hotel through the receiving entrance and/or security office located at Aliceanna Street. Delivery and pick-up times must be coordinated with the Hotel in advance.
- 9) The Exhibitor acknowledges that security is not provided in the exhibit area and that the exhibit area is an unsecure location. Exhibitors are encouraged to keep all valuables in a secure location after exhibitor hours. The Exhibitor agrees that neither the Provider nor the Hotel is financially liable for theft, damage, loss, or disappearance of property of any kind. If the Exhibitor would like to make after-hour security arrangements at the prevailing rate, please contact Wendy R. Robinson, MEd by July 25, 2025.
- 10) Provider and Exhibitor agree to protect, indemnify, defend, and hold harmless the Party and its respective employees, partners, and agents against all claims or liability, including, but not limited to injuries and damages/loss to persons or property, government charges and attorney's fees arising out of or caused by the Party's gross negligence or willful misconduct of the Party of its agents or employees. The indemnified Party shall provide the indemnifying Party with prompt notice of any claim and shall provide reasonable assistance with such claim. This indemnification shall not waive any statutory limitations of liability available to either Party nor shall it waive any defenses either Party may have with respect to any claim.
- 11) Exhibitor must carry comprehensive general liability insurance with appropriate levels of coverage for this type of activity. Exhibitor agrees to provide proof of insurance if requested by Provider.
- 12) To maintain an air of transparency and goodwill, all company personnel must be identified with an "Exhibitor" badge; company personnel are expected to maintain a sense of respect for the competition.
